YMCA Volunteers Launch Campaign for \$3,500

An enthusiastic corps of volunteers left the kickoff luncheon at Albany YMCA Thursday noon to begin a drive for 275 members and \$3,500.

By Feb. 23, they hope to have completed the campaign.

City Attorney Larry Saler is chairman for the second year. Division leaders are Insurance, Man Clay Berling and Councilman George Hein.

Under Berling are the following team captains and members of their teams: ORVILLE SPAUGH, Elmer Coble, Henry Austin, Don Sisk, David White and Dolores Hawkins; BUD ROONEY, Dick McSheehy, Ted Valli and Bill Lacy; HARRY PRICE, Mayor Dick Clark, Rev. Carl Williamson and Milton Gordon; BUD READ, Norm Jacobson, Dick Yamashita, Bob Carlson and Frank Fava.

Hein's team captains and members include: WALTER KEES, Bernice Boyd, Art Carlson, Chuck Silvers and Claude Daughtry; BILL ROTHSCHILD, Hank Peralta, Mickey Etingoff, Bill Woolworth; CARL LINDH, Bill McAuley, Gil Freels, Hap Jones and Don Young; RALPH JENSEN, George Villa, Jim Turner, Gerald Martin and Don Chelmedos.

The first progress meeting will be a luncheon tomorrow noon at the Y. It was announced that certificates will be presented to those who become sustaining members with a donation of \$15 up to \$100. Those giving \$100 or more become Century Club members and receive a plaque.

The 1966 campaign resulted in almost \$3,000, twice the amount of the previous year, and a record of seven Century Club members.

Richar L. Wrenn, general chairman of the membership campaign for all branches, said no child is ever turned away from the Y for lack of funds. Supporting or sustaining memberships make this possible, he said, adding that a child membership

does not cover by half the actual cost of providing the Y's program.

An inspirational talk was given by Arthur Hargrave of Berkeley Center board. Others from Berkeley attending were Gus Moore and Jim McCracken.

Just before the meeting adjourned, Don Young of Jim Woulfe Ford presented his company's check for \$100, first Century Club membership of 1967. This was followed by Saler's announcement that the No. 2 Century Clubber would be the law firm of Foley, Saler and Douth.

NOTICE

TO ALBANY VETERANS:

In accordance with an Agreement between the City of Albany and the County of Alameda, the Assessing and Tax Collection duties of the City have been transferred to the County.

Under this Agreement it will no longer be necessary for the Veterans to file for exemption in the City of Albany. In the future, applications filed in the office of the County Assessor will be sufficient as you will receive one tax bill for your city and county taxes. I am sure you will find this arrangement convenient.

Dated: February 14, 1967.

Albany Residents Sought As School Volunteers

A meeting of the Albany Schools Resource Volunteers Committee was held Feb. 7, to discuss the expansion of the program in Albany schools.

As a first step, a letter and application form has been sent to the parents of all children and youth attending Albany schools. It is the aim of the committee to have publicity and application forms strategically placed so as to inform the entire community.

The committee is composed of Mrs. Kay Geering, coordinator of the Community Resource Service and Albany High school; Mrs. Loette Fletcher, Cornell-Vista; and Mrs. Anita Tronoff, Marin-MacGregor. William G. Woolworth, Albany Schools Director

of Instruction, will serve as consultant.

Those who have not received the applications and would be interested in serving not less than two hours of time each week working with children or assisting staff have been asked to fill out the blank below or pick up an application at the school administration building, 904 Talbot; the City Library or City Hall.

Activities planned for volunteers include working with individual students, correcting papers, preparing materials, typing, assisting in story telling, dramatics, art, music, piano accompanying physical education, and library work. The most important qualifications are an interest in children, time and a willingness to work.

Schools Resource Volunteer Blank

Mayor Richard Clark announced that no decision has been reached, but that he will appoint, if necessary, on Saturday. A closed personnel session was held prior to the meeting and three communications urging the appointment of William McKenna were referred to the personnel sessions, indicating there may be hope for a meeting of minds before Saturday.

The mayor was authorized to

NOW, THEREFORE, I, Richard O. Clark, Mayor of the City of Albany do proclaim the week of February 20-25 "ALBANY CHAMBER OF COMMERCE WEEK," and as a member of said Albany Chamber of Commerce, urge all business and professional men to inform themselves of the Chamber of Commerce and its activities and consider becoming members of this voluntary organization to continue to make Albany a better place in which to live and shop.

Eye, Ear Bequests Sought By Local Soroptimists

The Soroptimist Club of Albany is seeking persons wishing to donate their good eyes and bad ears after death.

According to Chairman Antoinette Stallone, corneas may be transplanted and offer markedly improved vision to an adult or child on the verge of blindness. As long as the donated eye has a clear cornea it can be used, and other diseases and wearing of glasses can be ignored.

Soroptimists are seeking donors of the temporal bones from those with impaired hearing or ear disorders for research into the causes of deafness. Temporal bone banks are not like eye or ear banks where parts are stored and later transplanted to the living. They are ear research laboratories where bequeathed inner ear structures are studied together with the donors' medical and hearing records.

The inner ear cannot be seen or directly examined during life because of its inaccessible location within the temporal bone.

There is no cosmetic disturbance in removal of eyes or temporal bones, Miss Stallone stressed. Signing forms to bequeath either or both temporal bones and eyes is a way of helping others even in death, she said.

Blanks to make the bequests are available at the office of Dr. Victor Stallone, 1301 Solano, or at the Albany Times, 1240 Solano.

AHS PTA Luncheon

Annual Marin PTA Potluck Set For Feb. 21

The Marin annual potluck supper will be held on Feb. 21 in the school cafeteria.

It is hoped that all Marin PTAs will attend the evening of food, fun and entertainment. Invitations to special guests have already been mailed.

Decorations chairman, Mesdames John Sofranac and Donald

Ching, have decided on "An Evening of Make Believe" as their theme. Tables will be decorated according to various fictional characters. Puff, the Magic Dragon, and Humpty Dumpty are two main features.

Food chairman, Mrs. E. C. van Eckhardt, says that lots of very real and tasty gourmet delights have been promised already. Though the theme may be "Make Believe," the delicious food will keep us from losing our heads. Refreshing punch with chips and dip will be served at 6:30 with dinner at 7 p.m.

The entertainment committee hopes everyone will want to wear costumes. Imaginations can run riot from nursery rhymes to monsters and on to TV and literary characters. We can "Make Believe" so anything goes.

How to Save on Grocery Bill Discussed Feb. 21

You can earn \$6 an hour by buying whole chickens and being your own butcher.

Thin-skinned grapefruits can usually be purchased at the same price as thick-skinned grapefruits; can you tell the difference before splitting the grapefruit?

Do you know how to eat whole somers and with variety for only \$2.50 a week per adult?

These and many other questions were discussed and answered by David Gombert at the first consumer education class sponsored by the Albany Consumers club and attended by 44 persons. Gombert also discussed preparation of a shopping list; consumer aid pamphlets, magazines and other literature; and some fraudulent practices engaged in by food merchants. He recommended Ella Gale's "Sense and Sense" as a course textbook. He insisted that a consumer not satisfied with a purchased product should return it.

In the next class, Gombert will discuss guarantees and warranties (how often do you hear a merchant say: "Satisfaction guaranteed—or your money back?" and how often do you get your money back?). Also there will be displays of interest to the consumer.

The next class will be held in the Child Care Room, Albany Recreation Center, 8th and Monroe Streets, Tuesday, Feb. 21. Subsequent classes will be held on the first and third Tuesdays of each month, same time and place.

High Twelve To Hear About Forests

Albany High Twelve club will hear about the role the United States Government Forest Service takes in land management on Friday, Feb. 17, at the club's luncheon meeting at Kirby's Banquet Room.

The speaker will be Edwin Gregg of the U.S. Forest Service. He will talk about forests, recreational facilities and the management of federal lands.

After the meeting President Fred Beeson, Samuel Dows, Joseph Lorper, Alfred-Curtis and Harold Brillhart will move off for Moro Bay where the state association of High Twelve clubs will have a spring conference.

NOTICE OF FILING APPLICATION FOR INCREASES AND DECREASES FOR INTRA-STATE TELEPHONE RATES
The Pacific Telephone and Telegraph Company on February 10, 1967, filed with the Public Utilities Commission of the State of California an application, numbered 49142, for authority to increase and decrease certain intra-state rates and charges applicable to telephone service furnished within the State of California. In general terms, the proposed increases and decreases are as follows:
Exchanges in the San Francisco-East Bay, Los Angeles, San Diego and Orange County extended areas would receive increases resulting from the application of a uniform set of basic exchange rates for residence and business service. The increases, on the average, amount to about \$1.50 per month per main residence telephone and \$3.50 per month per main business telephone. Messages unit allowances would be increased from 30 to 35 per month. The application of a uniform set of basic exchange rates for residence and business service, standardized at 30 for 2-party line message rate residence service, with a decrease in the basic monthly charge for this service, and 85 for message rate business lines. The message unit charge would be increased from \$0.405 to \$0.485.
For exchanges located outside the San Francisco-East Bay, Los Angeles, San Diego and Orange County extended areas, increases and decreases in basic exchange residence and business rates result from the application of an increased, and graduated scale of rates based on the size of the exchange and whether or not extended area service is offered in the exchange. In most instances there would be an increase in rates which, on the average, would amount to about 50c per month per main residence telephone, and about

ALBANY MAN HAS UNIQUE VEHICLE IN BIG SHOW

A customized street motorcycle from Albany was awarded display space for the 19th annual Grand National Roadster Show Feb. 17-26 in the new Oakland Coliseum Complex.

Representing a \$1,500 investment, the unique vehicle is the creation of Leonard J. Holaday, 21, an auto mechanic of 826 Talbot Ave., according to show manager-producer Al Slonaker.

Nearly 200 hand-built hot rods, custom cars, sports vehicles, dragsters, experimental "dream cars," motorcycles and power boats will vie for \$10,000 in awards at the nationally-known auto event in the Coliseum's Exhibit Hall.

Built for both show and street use, the Albany motorcycle is based on a Harley-Davidson which now has a "chopped" and lowered frame and a special extended front end.

All parts of the unique vehicle are extensively chromed and polished except the gas tank and rear fender which are finished in metallic burgundy lacquer paint.

Power plant is based on a newly re-built engine which Holaday claims to have "bored and stroked to the limit," before loading it with high-performance accessories.

The 10-day Oakland events is

designed to glorify individual car building and to encourage display of the newest and best ideas leading to automotive improvements, Slonaker said.

Entries vie in 28 show classifications for more than 100 awards headed by a \$5,000, nine-foot trophy said to be the world's largest loving cup.

The auto extravaganza is sponsored by the American Automotive Achievements Association, Slonaker added.

Letters

Editor, the Times:

The members of the Berkeley Motion Picture and TV Council wish to thank you and your paper for the help given us in making the special matinee of "Sound of Music," which we sponsored on Jan. 28, a sellout. It was very successful and your paper did much in publicizing it—you and the Thousand Oaks Times, which I understand you also publish.

Thanking you again,
